

YGN Best Practice

# Confronting Reality: Experience from Fukushima Tour

Shin-etsu Sugawara, Kazumasa Shimada, Kenta  
Horio, Shin-ichiro Sato and Jun Nishiyama

Young Generation Network Japan (YGNJ)

# Introduction

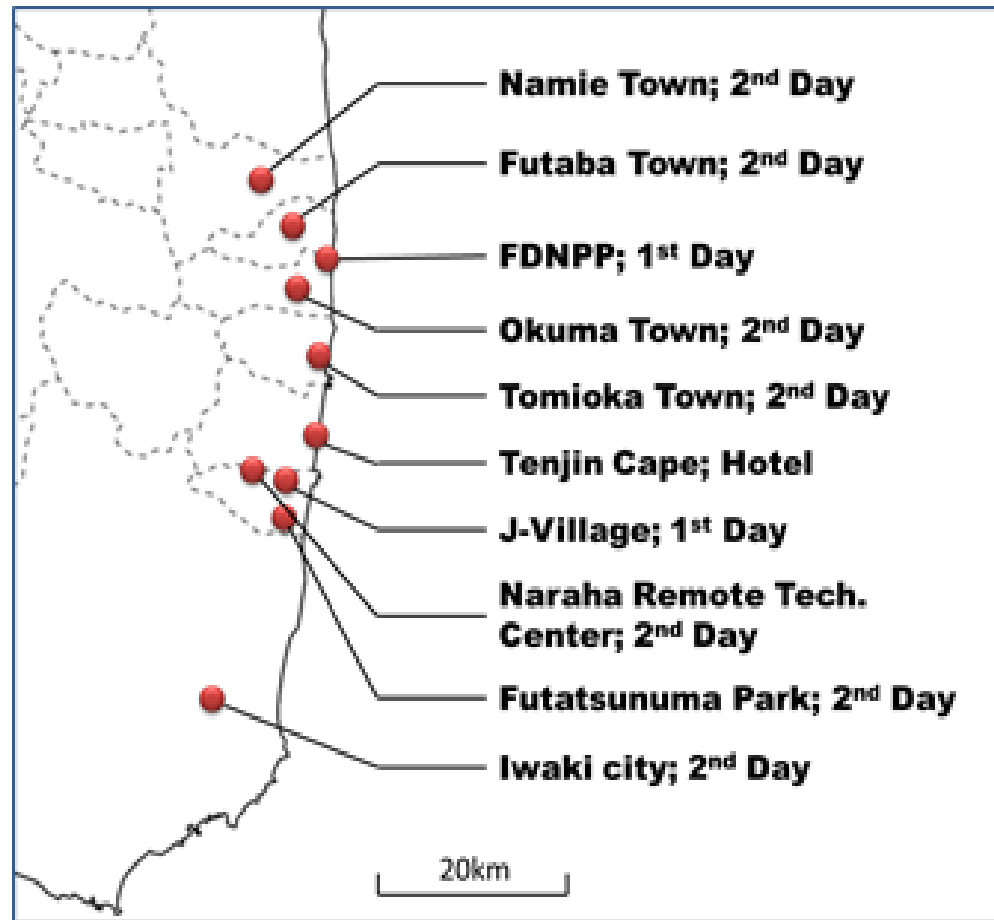

- Why YGNJ coordinates Fukushima tour?
  - Learning lessons for better use of nuclear energy
  - Visiting the Fukushima-Daiichi NPP (FDNPP) site for experiencing “**reality**”
  - Limited access to FDNPP and evacuation areas
- Coordination experiences
  - 1<sup>st</sup> tour: Swedish YGN, Sep. 2014
  - 2<sup>nd</sup> tour: IYNC Ex-Com and YGN colleagues from Asia-Pacific region, Feb. 2016

FEB. 01-02, 2016
